

Application for return of property

Seized under section 336 of the Resource Management Act 1991

Please complete all fields on this form and ensure correct authorisation has been completed before submitting to accounts payable.

Applicant details

I,
of (address)
hereby apply for the return of property seized by Kaipara District Council Noise Control.

Seizure information

Detailed description of equipment seized (list brand name, model, serial numbers, colour, any distinguishing marks etc.)

Address from where equipment was seized

Date equipment was seized

Statement of intent to comply

I,
certify that I undertake to:

- (a) Ensure that the return of the property does not lead to a resumption of noise beyond a reasonable level.
- (b) Pay all reasonable costs incurred in the seizure and storage of the equipment.

I understand that, should further equipment be seized from the address of the previous seizure because of excessive noise, Council may decline to return the equipment I accordance with Section 336(2) of the Resource Management Act 1991.
