Reference	Cove Road (SH1 Brynderwyns detour) route protection Truck with Trailer Restriction 2024
Restriction Approved by:	Kaipara District Council <ul style="list-style-type: none"> • Bernard Petersen NTA Maintenance & Operations Manager Whangarei District Council <ul style="list-style-type: none"> • Jeff Devine NTA Strategy & Planning Manager

Pursuant to the Land Transport Act 1998, Section 16a (2) (Temporary restriction of heavy traffic on roads), we the undersigned through associated delegations of Council, on behalf of Kaipara District Council and Whangarei District Council in the capacity of the Road Controlling Authorities, confirm we have given consent for **the temporary restriction of “Truck with Trailer units” from utilising the section of Cove Road between the intersection of Cove Road and McLean Road (Northern end) and the intersection of Cove Road and Mangawhai Heads Road (Southern end) between Monday 26th February to Wednesday 27th March 2024 (reopening for six days over Easter), then again between Wednesday 03rd April to Monday 1st July, or up to such date as confirmed SH1 reopening.**

This restriction is for the purposes of protecting this critical Northland detour access route from blockage, temporary blockages, and further damage while use of State Highway 1 through the Brynderwyns is closed for critical improvements.

Appropriate signage advising of this restriction will be displayed in at least 1 prominent position prior to the final appropriate turning point at both the Northern and Southern points of the section of Cove Road that this temporary restriction applies.

For the purpose of this restriction “truck with trailer” is defined as any heavy trailer and vehicle combination as described on Waka Kotahi’s (New Zealand Transport Agency) website, including:

- Full trailers
- Semi-trailers
- simple trailers
- Pole trailers
- Heavy vehicles towing two trailers (including A-train and B-train combination)
