Pursuant to the Land Transport Act 1998, Section 16a (2) (Temporary restriction of heavy traffic on roads), we the undersigned through associated delegations of Council, on behalf of Kaipara District Council and Whangarei District Council in the capacity of the Road Controlling Authorities, confirm we have given consent for **the temporary restriction of “Truck with Trailer units” from utilising the section of Gorge and Waipu Gorge Road between the intersections of Durham Road (State Highway 1) and Doctors Hill Road (Maungaturoto) between Monday 26<sup>th</sup> February to Wednesday 27<sup>th</sup> March 2024 (reopening for six days over Easter), then again between Wednesday 03<sup>rd</sup> April to Monday 13<sup>th</sup> May 2024.**

This restriction is for the purposes of protecting this critical local road access route from blockage, temporary blockages and vehicle incident while use of State Highway 1 through the Brynderwyns is closed for critical improvements.

Appropriate signage advising of this restriction will be displayed in at least 1 prominent position prior to the final appropriate turning point at both the Northern and Southern points of the section of Gorge and Waipu Gorge Road that this temporary restriction applies.

For the purpose of this restriction “truck with trailer” is defined as any heavy trailer and vehicle combination as described on Waka Kotahi’s (New Zealand Transport Agency) website, including:

- Full trailers
- Semi-trailers
- simple trailers
- Pole trailers
- Heavy vehicles towing two trailers (including A-train and B-train combination)
