Kia Ora

Here are my thoughts about what I want to say.

1. The new kura has lots of options for anyone wanting their kids to learn reo.
2. Kura also encourages & supports whanau who want to learn Māori language.
3. The kura offers free learning of te reo for anyone and everyone wanting to learn not just to the Māori race.
4. Having the new build would be beneficial for Māori & non Māori to attend a kura and learn life qualities as well who they are as an individual.
5. My grandkids attend this kura and have come along way because of the tumuaki & kaiako dedication to the students and the whanau's. My Grandson had a very troubled up bringing and has changed for the better since attending tkkm o ngaringaomatariki.
