Office use only

Date Received: _____

Water Supply Scheme: _____ Current Water Restriction Level: _____

Average daily consumption: _____

Assessment criteria:

- 1 Impact on relevant scheme;
- 2 Efficiency of proposal;
- 3 Availability of alternative sources; and
- 4 Impact of the restrictions on applicant.

Permit to Use Water

The applicant is given temporary exemption from the applicable water restrictions subject to complying with the conditions below:

Standard Conditions:

- 1 To minimise the impact on the reticulation and the losses to evaporation, outdoor watering can only take place at night between the hours of 7pm to 7am the following morning.
- 2 This permit can be cancelled at any time by the Water Services Manager or Operations Engineer Water Services with notice given to the contact details provided above.
- 3 This permit will automatically expire if water restrictions in the area are increased. The applicant will need to reapply at each restriction level.
- 4 The permit holder is required to provide the reading of the water meter each Monday that the permit is valid. Readings to be sent through to council@kaipara.govt.nz.

Additional Conditions:

Part 16 of the Kaipara District Council General Bylaws 2008 deals with water supply schemes. Clauses 1609.1 and 1609.2 of that bylaw sets out that Council may at any time issue water restrictions to all or part of the district.
